Please read this information on copyright - it is important. I prefer not to talk legal lingo, as it can often be misleading and hard to understand so here it is in a nutshell...

The material (including, documents, text, graphics, images, photo's etc.) featured on this site is subject to copyright protection unless otherwise indicated. The copyright protected material (other than the website logos) may be reproduced free of charge in any format or medium for research, private study and private use. The material may not be reproduced for gain without permission. This is subject to the material being reproduced accurately and not used in a misleading context. Where any of the copyright items on this site are being republished or copied to others, the source of the material must be identified and the copyright status acknowledged.

Any other proposed use of the material will be subject permission being granted by contacting me, which you can do so via my [contact form](#)

The permission to reproduce protected material does not extend to any material on this site which is identified as being the copyright of a third party. Authorisation to reproduce such material must be obtained from the copyright holders concerned.

Should have any questions, or are in doubt if you can use some of the content on this site, please feel free to contact me on the link mentioned above.

Most of the time I do not have a problem with material being used, however, it's both polite good manners to ask first.

p.s.

Thank you
